

SWP LIBRARY

Numbered methods for the lift. Crane, signals, rigging, the plan. Open the one for this work. Do the steps in order.

Rev 01 Effective 2026-09-01 Review 2027-09-01 Printed copy uncontrolled

Search the procedure. Do it in order.

SWP - the method. Numbered steps. These pages.

JHA - the hazards for the same work. Not a second procedure.

SJP - this morning. This table, this deck, this serial.

If a step cannot be followed on this pad, stop. Do not invent a workaround on the hook.

04 - HOW AN SWP IS BUILT -> <https://sin.ae.org/safety/safe-work-procedures>
