

DIESEL FUEL

Fuel for mobile cranes, boom trucks and support vehicles on site. This procedure does not cover bulk fuel storage. Workers may refuel host or carrier equipment as assigned.

Rev 01 Effective 2026-09-01 Review 2027-09-01 Printed copy uncontrolled

HAZARDS

Flammable liquid and vapour
Skin irritation and dermatitis with repeated contact
Harmful if swallowed or aspirated
Exhaust in poorly ventilated areas

PPE

Gloves rated for petroleum
Eye protection
No ignition sources while fuelling

SPILL

Stop the source if safe. Keep people and ignition away. Absorb with site spill kit. Do not wash into drains. Report to the site and to the supervisor.

FIRST AID

Skin: wash with soap and water. Eyes: rinse. If swallowed: do not induce vomiting - get medical care. Inhalation: fresh air.

STORAGE

On the carrier or in approved site containers. Caps on. No smoking at the tank.

This is a field card for the lift. The manufacturer SDS for the exact product on site wins if it is stricter or more specific. Example manufacturer sheets sit in Manufacturer-SDS in this pack.
