CURRENT VERSION

Revision 01. Effective 2026-09-01. Owner: Proven. Approved by: Proven. Review by: 2027-09-01. Documents on this website are the current version. Printed copies are uncontrolled the moment they leave the screen - check the number and revision before you use a photocopy.

RECORDS

Inspection, incident, investigation, training, meeting and first-aid records are kept at least three years, or longer if a claim or order requires it. First aid: 3.19. They are available to the joint committee or worker health and safety representative, as applicable, and on request to an officer, the union representing the workers, or the workers. 3.3(f).

If you cannot name the revision, you are not following the revision. You are following a printout.
